# Tunnel light TL810

**HONNEX**  
Lighting expert

The TL180 LED Tunnel light use fins heat dissipation technology design, have much bigger heat dissipation area and better heat dissipation efficacy. The modular design also better for control the cost. The special lens can give us better looking and avoid glare.

- IP65, suitable for tunnel and some outdoor area.
- Beam angle 60D/90D/60D\*150D
- Efficacy 120LM/W, Energy saving, Green.
- Lifetime: 30000Hours/50000 Hours
- Chips: SANAN,PHILIPS,OSRAM
- Driver: HONNEX,MEANWELL,PHILIPS

The SOL610 is compact Solor LED Street light. It make Solor panel, Battery, Controller, Sensor, Light all inside the Aluminum fixture.It is much conveniently to install, simple and stylish. SOL610 have Time-controlled dimming,Light Dimming,Dynamic induction dimming, easy for control; It also can update into smart control system, to control several light.

- IP65, suitable for Road, Courtyard and various scence.
- Beam angle 140D\*70D
- Efficacy 160LM/W, Solor panel 25 years warranty
- Under full charged battery, can work 3-5 days without sunshine
- Chips: SANAN,PHILIPS,OSRAM
- With sensor, support Time-controlled dimming,Light Dimming,Dynamic induction dimming
